Swami Pranav Chaitanya Puriji is an established scholar of Vedanta with a profound knowledge of original texts. At an early age, the spiritual quest beckoned him and led him to his guru, Paramadarsha Acharya Mahamandleshwar 1008 Sri Swami Vishnu Puriji Maharaj, founder of Paramarth Sadhak Sangh. Swamiji intrinsically relates to both the in-depth study of Vedanta as well as contemporary knowledge. He specializes in bringing to modern people the useful deliberations on essential truth given in the shastras. In Kashi, Swamiji is engaged in teaching Vedanta to a group of young, talented seekers and he endeavors to help them in their spiritual growth. Swamiji has authored several books and travels widely, spreading the spiritual fragrance of Vedanta.
